1. Issues and impacts:

During the first week after being announced about the project, our primary focus was on brainstorming and focusing on finding creative ideas for our project. The main issue was to find an impactful project idea that not only be unique but also no one did it before.

2. Next week's goals:

Our goals for the next week focus on generating our project ideas and preparing for presenting the ideas among teammates. Each team member had been assigned tasks as following table:

STT	Description	Due Date	Responsibility
1	Brainstorm ideas	20/05/2024	Le Duy Anh
2	Brainstorm ideas	20/05/2024	Cao Huu Khuong Duy
3	Brainstorm ideas	20/05/2024	Huỳnh Cao Tuan Kiet
4	Brainstorm ideas	20/05/2024	Ly Dinh Minh Man
5	Review and provide feedback on ideas	20/05/2024	Vo Nguyen Phuong Quynh

They will present their findings and outlines in our next meeting and scheduled plans for the following week.
